CANADA IS WAITING FOR NURSES

Toronto Economics and Management College (TEMC) welcomes all Internationally Educated Nurses (IENs) to join our Nursing Program for IENs

Working in partnership with leading nursing professionals, hospitals and healthcare providers, this program is a great choice for IENs who desire to work as a registered nurse in Canada.

We work in partnership with our students to ensure all educational, professional and regulatory steps are carefully and rigorously addressed to ensure eligibility and employability in Canada as a registered nurse.

3 IN 1 MIGRATION PLAN FOR NURSES

1

FSW

2

Provincial Nomination program (PNP)

3

**Direct/Virtual immigration Programs,
Conditional nursing licence without IELTS, RN**

FSW – NURSE TO CANADA CATEGORY BASED IMMIGRATION PROGRAM

The Canadian federal government introduced a new immigration policy for the years 2024-26, implementing a category-based immigration system. In this system, one of the main categories is healthcare, where Canada plans to invite a large number of Indian nurses through the FSW-PR program. From 2024-26, this presents a golden opportunity for Indian BSc/MSc and post-BSc nurses. The main attraction of category-based immigration is that candidates with lower CRS scores have better chances of receiving FSW-PR invitations. Indian nurses can benefit from this excellent opportunity.

PNP – NURSE TO CANADA PROVINCIAL NOMINATION PROGRAM

PNP, which stands for Provincial Nomination, is one of the best pathways to Canada for Indian nurses. All 10 Canadian provinces invite nurses through PNP. From 2024-26, all Canadian provinces welcome Indian nurses via PNP. Nurses wishing to migrate to Canada must apply to all suitable and accepted provinces through PNP Expression of Interest. We have a dedicated Nurse PNP research team that supports all our candidates for success in PNP. Nurses interested in migrating to Canada must learn about suitable PNP options for nurses in Canada.

DIRECT/VIRTUAL IMMIGRATION PROGRAMS FOR NURSE TO CANADA

Many Canadian provinces are grappling with nurse shortages. Some provinces, instead of waiting for FSW/PNP options, are organizing direct or online immigration fairs with employers. For instance, Newfoundland province annually visits India and the UAE to recruit nurses. If you have all the immigration documents ready, such as WES, IELTS, experience, Express Entry profile, NCLEX-RN, or Conditional Nursing License, you may have an advantage in being selected. Our research team at Amster will actively participate in these virtual/direct nurse recruitments.

CONDITIONAL LICENSE PROGRAM FOR NURSE WITHOUT NNAS NCLEX-RN

Nova Scotia has introduced a Conditional Nurses License valid for one year, providing an advantage to nurses participating in virtual or direct recruitment from Nova Scotia or any Canadian province. The new approach by the Nova Scotia College of Nursing, effective May 1, 2023, streamlines registration and licensing for internationally educated nurses, reducing the process from over a year to a matter of weeks. This pathway includes countries such as Australia, India, New Zealand, Nigeria, Philippines, United Kingdom, and the United States. Our Expert Canadian Nurses Assistant team can assist you in understanding and navigating this process.

Hello Nurse why you want to Choose Amster for Your dream Canadian Immigration Journey?

If you're a nurse considering immigration to Canada, Amster Immigration is a compelling choice. With an impressive eight years in the Canadian immigration industry, we've successfully assisted 1000 nurses in their migration journey. Our expertise lies in identifying the best programs and pathways for nurse migration, focusing exclusively on immigration and settlement rather than study visas. It's worth noting that we operate under the Government of Canada CICC (College of Immigration and Citizenship Canada), ensuring a trustworthy and credible service. At Amster, we never make promises that are impossible to fulfill, providing a reliable and realistic approach for your migration needs.

Amster General Manager
